

THE GREATEST SHOWMAN

*This is the
greatest show.*

DISNEY

Woah (x9)

Ladies and gents, this is the
moment you've waited for
(woah)

Been searching in the dark,
your sweat soaking through
the floor (woah)
And buried in your bones
there's an ache that you can't
ignore
Taking your breath, stealing
your mind
And all that was real is left
behind

Don't fight it, it's coming for
you, running at ya
It's only this moment, don't
care what comes after
Your fever dream, can't you see
it getting closer

Just surrender 'cause you feel
the feeling taking over
It's fire, it's freedom, it's
flooding open

It's a
prea-
cher in
the pulpit
and you'll find devotion
There's something breaking
at the brick of every wall it's
holding I'll let you now, so tell
me do you wanna go?
Where it's covered in all the
colored lights
Where the runaways are
running the night
Impossible comes true, it's
taking over you
Oh, this is the greatest show
We light it up, we won't come
down
And the sun can't stop us now
Watching it come true, it's

taking over you
Oh, this is the greatest show

(Woah) colossal we come
these renegades in the ring
(Woah) where the lost get
found in the crown of the
circus king
Don't fight it, it's coming for
you, running at ya
It's only this moment,
don't care what
comes after
It's blinding outside
and I think that you
know
Just surrender
'cause you're
calling and you
wanna go

Where it's cov-
ered in all
the

colored lights
Where the
runaways are
running the
night
Impossible
comes true,
intoxicating
you
Oh, this is the
greatest show
We light it up,
we won't come
down
And the sun
can't stop

us now
Watching it come true, it's
taking over you
Oh, this is the greatest show

It's everything you ever want
It's everything you ever need
And it's here right in front
of you
This is where you wanna be
(This is where you wanna
be)

It's everything you ever
want
It's everything you ever
need
And it's here right in
front of you
This is where you wanna be
This is where you wanna be

When it's cov-
ered in all

the co-
lored lights
Where the
runaways are
running the
night
Impossible
comes true, it's
taking over
you
Oh, this is the
greatest show
We light it up,
we won't
come down
And the sun
can't stop us
now

Watching it come true, it's
taking over you
This is the greatest show
When it's covered in all the
colored lights
Where the runaways are
running the night
Impossible comes true, it's
taking over you
Oh, this is the greatest show
We light it up, we won't come
down
And the walls can't stop
us now
I'm watching it come true, it's
taking over you
Oh, this is the greatest show

'Cause everything you want is
right in front of
And you see the
sible is coming
And the

yeah
This is the
show (Oh!)

The Greatest Show

I close my eyes and I can see
The world that's waiting up
for me
That I call my own
Through the dark, through
the door
Through where no one's been
before
But it feels like home

They can say, they can say it
all sounds crazy
They can say, they can say I've
lost my mind
I don't care, I don't care, so call

me crazy
We can live in a world that
we design

'Cause every night I lie in bed
The brightest colors fill my
head
A million dreams are keeping
me awake
I think of what the world
could be
A vision of the one I see
A million dreams is all it's
gonna take
A million dreams for the
world we're gonna make

There's a house we can build
Every room inside is filled
With things from far away
The special things I compile
Each one there to make you
smile
On a rainy day

They can say, they can say
it all sounds crazy

They can say, they can say
we've lost our minds
I don't care, I don't care if they
call us crazy

Runaway to a world that we
design

Every night I lie in bed
The brightest colors
fill my head
A million
dreams
are

keep-
ing me

A Milion dreams

awa-
ke
I think
of what the world

could be
A vision of the one I see
A million dreams is all it's
gonna take
A million dreams for the
world we're gonna make

However big, however small
Let me be part of it all
Share your dreams with me
You may be right, you may
be wrong
But say that you'll bring me
along
To the world you see
To the world I close my
eyes to see
I close my eyes to see

Every
night
I lie in
bed
The
brightest
colors fill
my head
A million dream-
ams are keeping
me awake
A million dreams,
a million dreams
I think of what
the world
could be
A vision

the one I see
A million dreams is all it's
gonna take
A million dreams for the
world we're gonna make

For the world we're gonna
make

A Million Dreams (reprise)

Every night I lie
in bed
The brightest col-
ors fill my head
A million dreams
are keeping me
awake
I think of
what the wor-
ld could be
A vision of the
one I see
A million
dreams is all it's
gonna take
A million dreams
for the world
we're gonna
make

of

You stumble through your days
Got your head hung low
Your skies' a shade of grey
Like a zombie in a maze
You're asleep inside
But you can shake away

'Cause you're just a dead man walking
Thinking that's your only option
But you can flip the switch and brighten up your darkest day

Sun is up and the color's blinding
Take the world and redefine it
Leave behind your narrow mind
You'll never be the same

Come alive, come alive
Go and ride your light
Let it burn so bright
Rea-

ching up
To the sky

And it's open wide
You're electrified

When the world becomes a fantasy
And you're more than
you could ever be
'Cause you're

dreaming with your eyes wide open
And you know you can't go back again
To the world that you were living in
'Cause you're dreaming with your eyes wide open
So, come alive!
I see it in your eyes
You believe that lie
That you need to hide your face
Afraid to step outside
So you lock the door
But don't you stay that way

No more living in those shadows
You and me we know how that goes

'Cause once you see it, oh you'll never, never be the same

We'll be the light that's shining
Bottle up and keep on trying

You can prove there's more to you

You cannot be afraid

Come alive, come alive
Go and shine your light
Let it burn so bright
Reaching up
To the sky

And it's open wide
You're electrified

When the world becomes a fantasy
And you're more than you could ever be
'Cause you're dreaming with your eyes wide open
And we know we can't be go back again
To the world that we were living in
'Cause we're dreaming with our eyes wide open
So, come alive!

Come one!
Come all!
Come in!
Come on!

To anyone who's bursting with a dream

Come one!
Come all!
You hear
The call

To anyone who's searching
for a way to break free

Break free!
Break free!

When the world becomes a fantasy
And you're more than you could ever be

'Cause you're dreaming with your eyes wide open
And we know we can't be go back again
To the world that we were living in
'Cause you're dreaming with our eyes wide open

(Hey!)

When the world becomes a fantasy
And you're more than you could ever be
'Cause you're dreaming with your eyes wide open
And we know we can't be go back again
To the world that we were living in
'Cause we're dreaming with our eyes wide open

'Cause we're dreaming with our eyes

wide open

So come alive!
(Come alive!)

Come
Alive

Right here, right now
I put the offer out
I don't want to chase you down
I know you see it
You run with me
And I can cut you free
Out of the treachery and walls
you keep in
So trade that typical for
something colorful
And if it's crazy, live a little
crazy
You can play it sensible, a king
of conventional
Or you can risk it all and see
Don't you wanna get away
from the same old part you
gotta play
'Cause I got what you
need
So come
with
me and
take the
ride
It'll take
you to
the

The
other

you can do like you do
Or you can do like me
Stay in the cage, or you'll
finally take the key
Oh, damn! Suddenly you're
free to fly
It'll take you to the other side
Okay, my friend, you want to
cut me in
Well I hate to tell you, but it
just won't happen
So thanks, but no
I think I'm good to go
'Cause I quite enjoy the life
you say I'm trapped in
Now I admire you, and that
whole show you do
You're onto something, really
it's something
But I live among the swells,
and we don't pick up peanut
shells
I'll have to leave that up to you
Don't you know that
I'm okay with this
uptown part I get
to play
'Cause I got what
I need and I
want to take
I don't need
the other side
and do like
I'm good to
me
Ain't in
don't
I don't need to see the
other side
Now is this really how you like
to spend your days?

Whiskey and misery, and

arties and plays

If I were mixed up with you,
I'd be the talk of the town
Disgraced and downed,
another one of the clowns
But you would finally live a
little, finally laugh a little
Just let me give you the free-
dom to dream and it'll
Wake you up and cure your
aching
Take your walls and start 'em
breaking

Now that's a deal that
seems worth
taking
But guess I'll
leave that up
to you
Well it's intriguing,
but to go would
cost me greatly
So what percentage
of the show would I
be taking?

Fair enough, you'd
want a piece of all
the action
I'd give

you seven, we
could shake and
make it happen

I wasn't born
this morning, ei-
ghteen would be
just fine

Why not just go ahead and ask
for nickels on the dime
Fifteen, I'd do eight, Twelve
Maybenine, Ten
Don't you wanna get away
to a whole new part you're
gonna play

'Cause I got what you need,
so come with me and take
the ride

To the other side
So if you do like I do
So if you do like me
Forget the cage, 'cause we
know how to make the key
Oh, damn! Suddenly we're
free to fly

We're going to the other side

So if you do like I do

(To the other side)

So if you do like me

(We're going to the

other side)

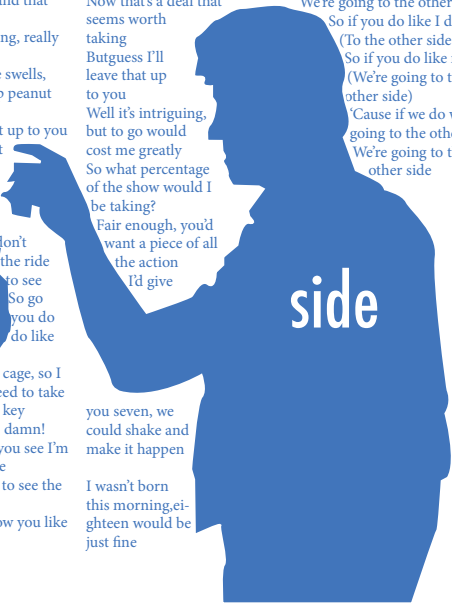

'Cause if we do we're

going to the other side

We're going to the

other side

side

I'm trying to hold my breath
Let it stay this way
Can't let this moment end
You set off a dream with me
Getting louder now
Can you hear it echoing?
Take my hand
Will you share this with me?
'Cause darling without you

All the shine of a thousand
spotlights
All the stars we steal from the
night sky
Will never be enough
Never be enough
Towers of gold are still too
little
These hands could hold the
world but it'll
Never be enough
Never be enough

For me
Never, never
Never, never
Never, for me
For me
Never enough
Never enough
Never enough
For me
For me
For me

All the shine of a thousand
spotlights
All the stars we steal from the
night sky
Will never be enough
Never be enough
Towers of gold are still too
little
These hands could hold the

world but it'll
Never be enough
Never be enough

For me
Never, never
Never, never
Never, for me
For me
Never enough
Never, never
Never enough
Never, never
Never enough
For me
For me
For me
For me

Never Enough (reprise)

All the
shine of a
thousand
spotli-
ghts
All the
stars we
ste-
from
nightsky
Will never
be

enough
Never be enough
Towers of gold are still too
little
These hands could hold the
world but it'll
Never be enough
Never be enough

Never
enough

I am not a stranger to the dark
Hide away, they say
'Cause we don't want your
broken parts
I've learned to be ashamed of
all my scars
Run away, they say
No one will love you as you are
But I won't let them break me
down to dust
I know that there's a place
for us
For we are glorious
When the sharpest words
wanna cut me down
I'm gonna send a flood, gonna
drown them out
I am brave, I am bruised
I am who I'm meant to be,
this is me
Look out 'cause here I come
And I'm marching on to the
beat I drum
I'm not scared to be seen
I make no apologies, this is me

the shame sink in
We are bursting through the
barricades
And reaching for the sun (we
are warriors)
Yeah, that's what we've become
(yeah, that's what we've
become)
Won't let them break me down
to dust
I know that there's a place
for us
For we are glorious
When the sharpest
words wanna cut me
down
I'm gonna
send a flood,
gonna drown
them out
I am

brave, I am bruised
I am who I'm meant to be,
this is me
Look out 'cause here I come
And I'm marching on to the
beat I drum
I'm not scared to be seen
I make no apologies, this is me
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh, oh-oh-oh,
oh-oh-oh, oh, oh
This is me
And I know that I
deserve your love
There's nothing I'm
not worthy of
When the
sharpest
words

na drown them out
This is brave, this is bruised
This is who I'm meant to be,
this is me
Look out 'cause here I come
(look out 'cause here I come)
And I'm marching on to the
beat I drum
(marching on, marching,
marching on)
I'm not scared to be seen
I make no apologies, this is me
(When the words wanna cut
me down,
gonna send a flood, gonna
drown them out)
(Oh-oh-oh-oh, oh-oh-oh-oh,
oh-oh-oh-oh)
I'm gonna send a flood
Gonna drown them out
(Oh-oh-oh, oh-oh-oh, oh-oh-
oh, oh, oh)
This is me

Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh, oh-oh-oh,
oh, oh
Another round of
bullets hits my
skin
Well, fire
away 'cause
today,
I won't
let

wanna cut me
down
I'm gonna
send a
flood,
gonna

This is me

You know I want you
It's not a secret I try to hide
I know you want me
So don't keep saying our hands
are tied
You claim it's not in the cards
But fate is pulling you miles
away
And out of reach from me
But you're here in my heart
So who can stop me if I decide
That you're my destiny?

What if we rewrite the stars?
Say you were made to be mine
Nothing could keep us apart
You'd be the one I was meant
to find
It's up to you, and it's up to me
No one can say what we get
to be
So why don't we rewrite
the stars?
Maybe the world could
be ours
Tonight

You think it's
easy
You think
I don't
want to
run

to you
But
there are
mountains
And there are doors
that we can't walk
through

I know you're wondering
why
Because we're able to be
Just you and me
Within these walls

But when we go outside
You're going to wake
up and see that it
was hopeless after all
No one can rewrite the
stars
How can you say you'll
be mine?
Everything keeps us
apart
And I'm not the one you
were meant to find
It's not up to you
It's not up

Rewrite the stars

to me
When everyone
tells us what
we can be
How can we
rewrite the stars?
Say that the world can
be ours
Tonight

All I want is to fly with you
All I want is to fall with you
So just give me all of you

It feels impossible

It's not impossible

Is it impossible?

Say that it's possible

How do we rewrite the
stars?
Say you were made
to be mine?
Nothing can keep us apart
Cause you are the one I
was meant to find
It's up to you
And it's up to me
No one can say what we
get to be
And why don't

we
rewrite the stars?
Changing the world
to be ours

You know I want you
It's not a secret I try to hide

But I can't have you
We're bound to break and
My hands are tied

Some people long for a life that
is simple and planned
Tied with a ribbon
Some people won't sail the sea
'cause they're safer on land
To follow what's written
But I'd follow you to the great
unknown
Off to a world we call our own

Hand in my hand
And we promised to never
let go
We're walking a tightrope
High in the sky
We can see the whole world
down below
We're walking a tightrope
Never sure, never know how
far we could fall
But it's all an adventure
That comes with a breath-
taking view
Walking a tightrope

With you, ooh, ooh, ooh, ooh
With you, ooh, ooh, ooh, ooh
With you

Mountains and valleys, and all
that will come in between
Desert and ocean
You pulled me in and together
we're lost in a dream
Always in motion
So I risk it all just to be
with you
And I risk it all for this life
we choose

Hand in my hand
And you promised to
never let go

We're walking a tightrope
High in the sky
We can see the whole world
down below

We're walking a tightrope
Never sure, will you catch me
if I should fall?
Well, it's all an adventure
That comes with a brea-
thtaking view
Walking a tightrope

With you, ooh, ooh,
ooh, ooh
With you, ooh,
ooh, ooh, ooh
With you
With you,
ooh, ooh,
ooh, ooh,
ooh

With you,

ooh-ooh-ooh
With you

Tightrope

I saw the sun begin to dim
And felt that winter wind
Blow cold
A man learns who is there
for him
When the glitter fades and the
walls won't hold
'Cause from then, rubble
What remains
Can only be what's true
If all was lost
Is more I gain
Cause it led me back...
To you

From now on
These eyes will not be blinded
by the lights
From now on
What's waited till tomorrow
starts tonight
Tonight
Let this promise in me start
Like an anthem in my heart
From now on
From now on

I drank
champagne with kings and
queens
The politicians praised my
name
But those are someone
else's dreams
The pitfalls of the
man I became
For years
and years
I
cha-
their
The
sed
cheers
crazy speed of always

needing more
But when I stop
And see you here
I remember who all this
was for

And from now on
These eyes will not be blinded
by the lights
From now on
What's waited till tomorrow
starts tonight
It starts tonight
And let this promise in me
start
Like an anthem in my heart
From now on
From now on
From now on
on

And we
come
will
back
home
And

From now on

we
will
come
back
home
Home,
again!
And we
will come
back home
And we will
come back
home

Home, again!
And we will come back home
And we will come back home
Home, again!

From now on!

And we will come back home
And we will come back home
Home, again!
And we will come back home
And we will come back home
Home, again!
And we will come back home
(yes)

Home, again!
And we will come
back home
And we will
come back
home
Home,
again!

From now on!

These eyes will
not be blinded
by the lights!

From now on!

Whats waited
till tomorrow

starts tonight!
It starts tonight!
Let this promise in me start
Like an anthem in my heart
From now on!
From now on!
From now on!

And we will come back home
And we will come back home
Home, again!
And we will come back home
And we will come back home
Home again!
And we will come back home
And we will come back home
Home, again!

From now on
From now on
Home again!
From now on
From now on

Home again!
